Dec. 20, 1927.

Mrs. Mary Greene Wilson,
c/o Mr. Tom Wilson, Hardware Merchant,
Tyler, Texas.

My dear Cousin Mary:

I am sending you forward as a Christmas present some Silk Bloomers that were made in our new Rayon Silk factory here at Ramseville that has just commenced operations, and I also send you a towel set made by the Cannon Mills in North Carolina.

I will reply just a little later to your letter of Dec. 3rd. Cousin Adelia and Evelyn came and went.

We fully expected you and we were all disappointed.

The family all send their love and are quite anxious to know you personally.

Some day I am coming to Texas, and the next time I will spend 48 hours instead of 24.

With love and good wishes and our compliments of the Season, I beg to remain

Yours most sincerely,

JCC:S
